

9 March 2023

Dear Parents,

### **Industrial Action – PPTA Teachers’ Strike on Thursday 16 March 2023**

The PPTA has advised the De La Salle College Board of Trustees that its member teachers at our school will be taking strike action on Thursday 16 March 2023.

The Board and Senior Leadership Team have carefully considered whether we could provide our normal programme with a small number of non-union teaching staff, and unfortunately the school will not be able to offer the normal College timetabled classes on this day.

If your son is unable to be supervised at home on this day, we can still supervise a small number of students if required. Please contact Mr Dermot English [englishd2@delasalle.school.nz](mailto:englishd2@delasalle.school.nz), before Wednesday 15 March if your son requires supervision. Any student requiring supervision on this day will be required to complete work online during the day in the College Library.

Boys who are at home on this day should take the opportunity to access their schoolwork on their Teams pages.

I understand the disruption that these events can cause for families, and thank you for continuous support of your sons in their education.

God Bless

M.Hogarty

Principal
