## Process for Applying for a Preference of Enrolment Certificate - Criterion 5.4

Please note it is the responsibility of parents/caregivers to ensure that application documentation is completed in a timely manner. We strongly recommend allowing 4 weeks to complete the entire process, particularly for college enrolment deadlines in Term 1 when there is a greater volume of applications.

If you are applying for preference of enrolment under Criterion 5.4 the significant familial adult must be:

- a close family member who is actively involved in your child's upbringing and live close to you
- practising their faith and involved in their own parish
- equipped and committed to the faith formation of your child and practices of the Catholic Church
